

## More than a superyacht.

Your superyacht is a reward for the time you've put in for you and your family. It's the promise of relaxation and holidays to come. You earned this, now enjoy it.

**But this isn't just another boat.**

This is a statement. You want the best and you've got it. Speed, design, luxury, technology and the finest materials.

There are also many sensible reasons for choosing a superyacht. It's an investment for the future but only if you take care of it.

It is, in fact, the **ultimate** in decadent luxury which makes financial sense as well. The perfect combination.

## Your dream, our experience.

NeroQom is the high-end maintenance provider trusted by superyacht owners like you. All over the world, we're working to keep the most stunning vessels in perfect shape. We specialise in every aspect of the visual comfort of a superyacht. Delivering maintenance, restoration and protection solutions which you won't find anywhere else.

Our Squad works at every stage of the creation and exploitation of your superyacht. We can liaise with the designers, shipyard, crew and refit teams to ensure the **highest standards** and **easiest maintenance** of your ship.

With the NeroQom **specialists** working with your crew, we'll protect your superyacht and make sure she is **perfect** for you whenever you come aboard.

Our range of services include:

- *Advice on materials*
- *Application of protective coatings & easy clean finishes*
- *Restoration for compromised materials*
- *Maintenance planning*
- *Documentation of best-practice*
- *Crew **training***
- *Advice & supply of products, materials and supplies*

By working with us, we'll ensure that cleaning time is as low as possible which will enable you to have fewer dedicated crew for these types of task. Whilst also having your crew focused more on your guests and family.

We'll also document and train your crew to ensure that maintenance standards are maintained during crew rotation.

If you want your investment taken care of and your leisure time to be aboard an idyllic superyacht, you need NeroQom.
